

SPIRIT OF THE NIGHT SKY

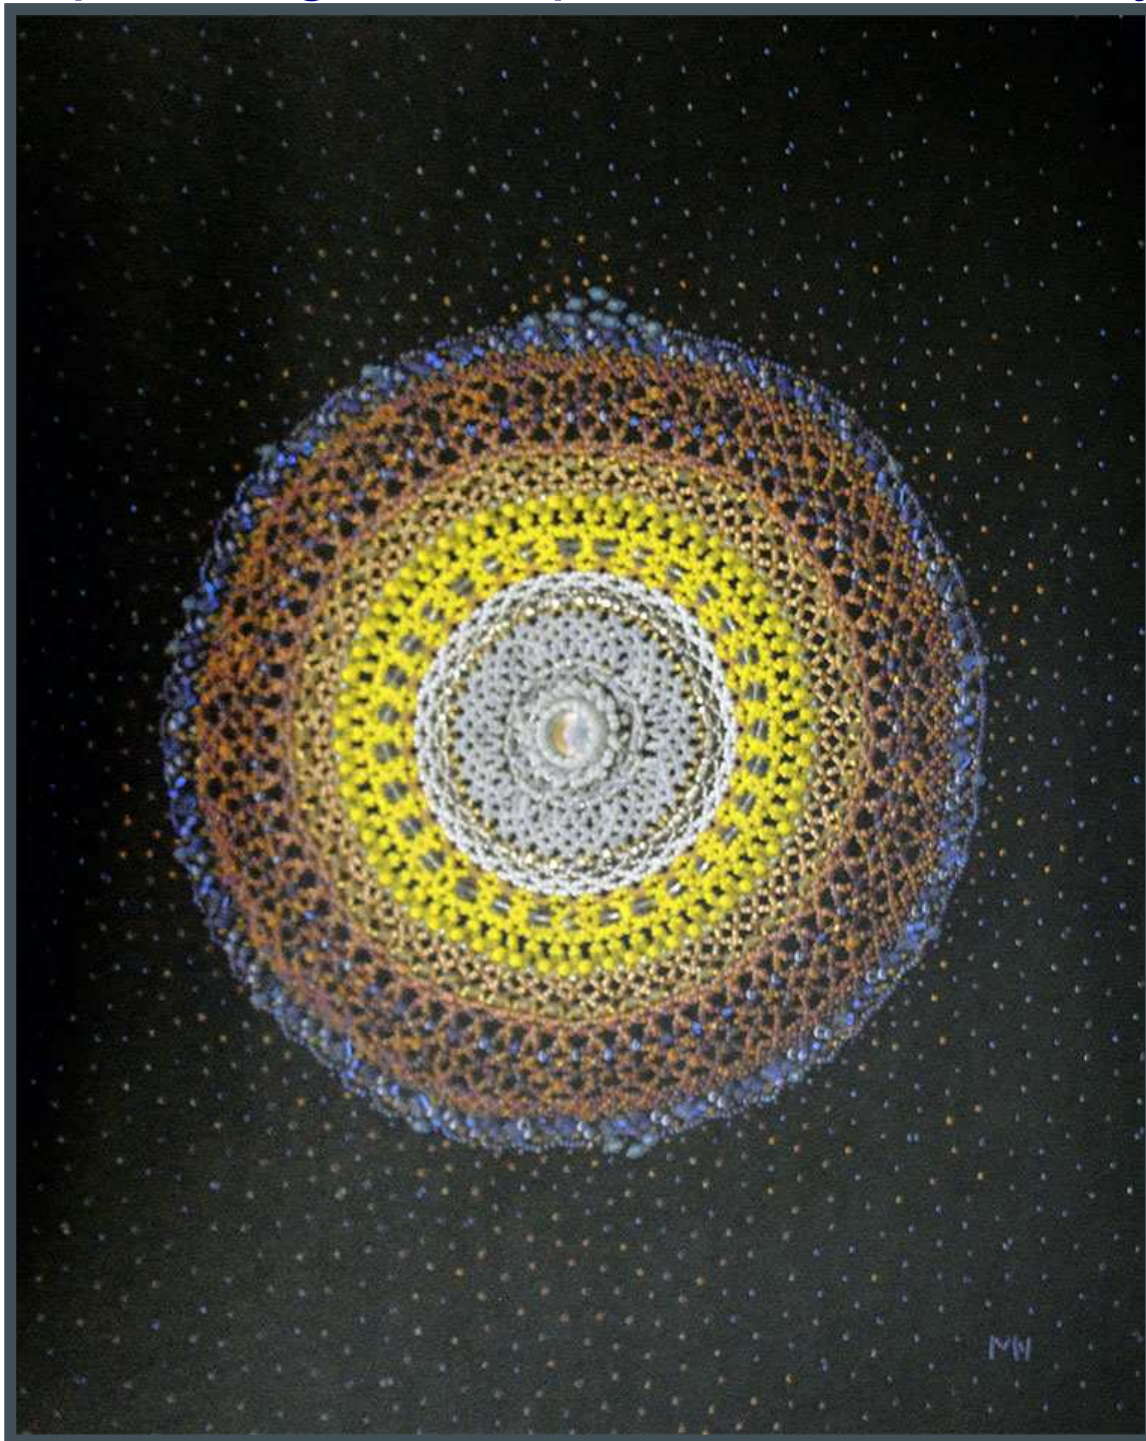

recent works by Margaret Nazon

northern images

115 Mackenzie Rd. Tel. 777-2786

Opening reception: Saturday, June 12
@ 7.00pm

Since 2009 - "The Year of Astronomy" -

Margaret Nazon has been creating artwork based on photographs from the Hubble space telescope. Using a variety of glass beads and different beading techniques, on black velvet or velveteen, she is creating vibrant, light-filled images of the visual wonders of the Universe.

Einstein's Ring Galaxy, Margaret Nazon, 2009 fabric/beads
